

THE recent launch of the Leinster Championships in Farmleigh House, Dublin manager Jim Gavin spoke about how he didn't want his players to be robots'. Well, his All-Star full-back could never be accused of fitting into that

accused of fitting into that category.

Even within the highly structured environment of an inter-county when the structured has been as the structured been an independent thinker, a free spirtl, and he proved this again even to once more address the same of concussion in sport.

"After suffering concussion in mase!"

"And the questioned the protocols in rugby compared to Gaelic And he questioned the protocols in rugby compared to Gaelic Concussion can happen in anything but you have to look at where it most likely to happen. It's far GAA, said O'Carroll.

GAA,' said O'Carroll.

'I don't want to get into GAA
bashing rugby. That's not what it's
about. My views don't represent
Dublin GAA or anybody else, apart
from myself

'You can't treat a brain the way you treat a hamstring

In February, O'Carroll feit com-pelled to write a letter to a national newspaper querying how freiand heavy to the competition of the com-petition of the competition of the production of the competition of the France, just seven days after suffer-ing concussion against Italy. I suppose it was a loaded query to the competition of the competition of the week gap? Despite the medical care, these players are receiving bigger and stronger hits,' he "You can have better access to

He ended the 2013 All-Ireland final victorious but concussed and Dublin ace Rory O'Carroll admits...

50

of being selected. Long term I want to get my hamstrings right rather. The a bit frustrating as I injured my left one against Monaghan and my left one against Monaghan and The injury didn't stop him posing for a photograph with a "es' badge and the selection of the property of the public Mo stance recently of the public Mo stance is a provided to the public Mo stance in the public Mo stance is a purposed to the stance of th

is true of Gaelic players or anyone else for that matter.' Certainly not in O'Carroll's case.
