

# PSV INSURANCE POLICY SUSPENSION

## SUSPENSION COVERS

Employers Liability, Public Liability, Personal Accident and Windscreen covers are maintained during the suspension period. (100% pro rata rebate of the motor premium)

## COMPREHENSIVE POLICIES

Fire & Theft (F&T) cover is available in addition to the above Suspension Covers, during the suspension period (80% pro rata rebate of the motor premium).

For fire & Theft cover to be effective:

- vehicles must be parked at least 3 metres apart
- batteries must be disconnected (or kill switch activated)
- vehicles must be checked on a regular and ongoing basis.

## REBATES/CREDITS

Should the suspension last less than the standard 30 days, a credit will be applied to your policy at your next renewal. If the suspension runs for 30 days or more, a credit will be applied to your policy immediately upon reinstatement as per normal procedure.

## PREMIUM/FINANCE PAYMENTS

Finance payments must still be met. Suspending the policy does not suspend the finance agreement. However, should you wish discuss your upcoming payments, please contact your finance provider directly, if you are having any difficulty or experience problems dealing with them, contact our office, we will provide any assistance we can.

In the meantime please take care of yourself and your family. We will see this through together. We invite any suggestions or ideas under our FOTO/iBus service that you feel could be put to Government. We have for instance sought to have the School Transport contracts coming due for renewal in 2020 to be extended for a further year.

From all here in JFDunne Insurances our very best wishes. We look forward to seeing you later in the year.
